# WELCOME 2025

2024 has been an immensely exciting year for Dullingham Park. A year full of milestones, with the completion of our inaugural breeding season here at our new stallion station in Newmarket. We are very pleased to proudly announce that work on the stud has now reached completion. As such, we would like to express a great deal of gratitude to everyone who has worked tirelessly to produce such a first-class state of the art farm.

It has been brilliant to see Shaquille transfer his extraordinary talent on the racetrack over to his new career as a stallion, and take to it so professionally. He has been a pleasure to deal with and we are very much looking forward to seeing his first foals on the ground in 2025. This year he covered a stellar book of 158 mares and was supported by the industry's leading breeders. Thus we are confident that his impressive ability on the track coupled with his outstanding physique and the substantial industry support he received, that he has a great chance to make a significant impact as a stallion.

Soldier's Call has had another successful year, once again exhibiting himself as the epitome of solidity and consistency. His progeny in 2024 have been prosperous both on the track and in the sales ring, spearheaded by his precocious team of BT 2yo's and Mickley, who took his unbeaten 3yo career to new heights when winning the Britannia Stakes at Royal Ascot this summer. Over the course of the breeding season it was fantastic to see the backing Soldier's Call also received from breeders, in his first season standing in Britain. He covered some very high-class producers and performers, including the dam of multiple Group 1 winner, Bradsell.

We warmly welcome all clients and guests who would like to visit the stud over the next year, and are thrilled to be able to showcase our outstanding facilities and stallions. Our appreciation goes out to all the breeders who have supported Dullingham Park so far and we greatly look forward to working with you all again. Your success is our success, thereby we wish you all the best for the upcoming breeding season and your bloodstock endeavours in 2025.

## PEDIGREE ANALYSIS

by **Martin Stevens**

Shaquille is by the three-time Group 1 winning miler Charm Spirit, who had a lightning turn of foot whose sire Invincible Spirit and grandsire Green Desert both won the Haydock Sprint. His dam Magic, a daughter of breed-shaper Galileo and champion sprinter Danehurst. Several of Shaquille's fellow maternal grandsons of Galileo have also prospered as stallions, not least the emerging force that is Night Of Thunder. The Green Desert line has been responsible for some of the most influential sires of modern times, chiefly Cape Cross, Oasis Dream and Invincible Spirit.

The pedigree of Shaquille's dam Magic features its own spot of 3x3 inbreeding to another hugely influential name in Miswaki, the damsire of both Galileo and Danehurst. Interestingly, the accomplished broodmare Starlet's Sister, also by Galileo, features a similar repetition of Miswaki.

## VALUE SIRE

by **Owner Breeder**

...when one or two horses pull focus there is always a chance that another stallion might just be flying under the radar. Step forward Soldier's Call. The son of Showcasing started his stud career with 26 winners at a healthy strike-rate of 33%. This included four stakes performers capped by Dawn Charger, winner of the Group 3 Prix Eclipse.

There is also plenty of ammunition in the pipeline too having covered three-figure books of mares in his second, third and fourth seasons. The biggest of those came in 2023, meaning Soldier's Call will have his biggest crop of two-year-olds about to hit the track in 2025.

# FUTURE PROSPECTS

The 2024 season has been a phenomenal one for Clipper owned & bred horses. Our homebred Champion 2yo filly Fallen Angel got the season off to a flying start as she romped to victory in the Irish 2,000 Guineas by almost 3 lengths. We then had the talented Thunder Run excel over the summer months, taking the valuable £150k Clipper Mile Handicap at York's Ebor week in style. Night Raider also returned to winning ways and stamped himself as a sprinter to take note of, when powering clear to take a Class 2 event in October - achieving a RPR of 112. Finally, we completed the season with the ultra-tough and consistent Starlust, who rounded off the year with a breathtaking win in the Group 1 Breeders Cup Turf Sprint, showing a brilliant turn of foot under a fantastic ride by Rossa Ryan. We can't wait to see what he does for his owner's, Jim & Fitri Hay, next year!

Looking ahead to the 2025 season, we are eagerly anticipating seeing our homebred 2yo's on the track. Our 2yo team is well-represented by some of the best stallions of the moment, including fillies & colts by Wootton Bassett, Sea the Stars, Dubawi, and Night of Thunder. These juveniles together with some highly-promising 3yo prospects and older horses, gives us great encouragement for success in 2025. Each year it is remarkable to see the development of our homebred foals and yearlings, and this year we look to be presented with some of our most exciting foals yet; comprising of fillies & colts by Frankel, Too Darn Hot, Mehmas, Dubawi and Night of Thunder amongst others.

# INDUSTRY SUPPORT

Over the course of 2024, Dullingham Park & Clipper were proud to sponsor numerous events across the racing and breeding industries. Clipper have always had a wonderful relationship with York Racecourse and as such, have been great supporters of racing at York over the years. Our sponsorship has more recently included some top-class stakes races, such as the Group 2 Clipper Duke of York & Clipper Marygate Stakes. It was a brilliant thrill to prevail ourselves in a race we sponsored this summer, as Thunder Run won the Clipper Mile Handicap. We are delighted that this partnership with York has been further extended and we have very pleased to have committed to a race sponsorship package with them for the 2025 season.

Dullingham Park also engaged in multiple sponsorships in 2024; this included our headline support of the TBA Awards night in July, and we are pleased that we will further extend this with the sponsorship of an award in 2025. Moreover in 2024 we contributed sponsorship to a brilliant initiative set up by Ed Chamberlin, in aid of WellChild - a charitable organisation which provides practical and emotional support to children, with complex medical needs, and their families.

We are also excited to be taking up sponsorship of the Tattersalls coffee cart for the duration of the December Mare's Sale this year, providing complimentary drinks for all.
